

Exercise-4: Time Traveller – Getting sensitive information from internal files

1. Steps and finding out the lottery No.:

- Click on the given link adding **/git** to this link, such as:
<https://time-traveller.cfapps.eu10.hana.ondemand.com/git/>
- From the website, download master file from folder logs -> refs -> heads -> master.
A comment hash key is provided in this file. Open this master file in text file.
